

On the pursuit of the lost coats of arms

At the Castle of Saint Mesmin, follow Noé, Filou, Emma and Léo in search of the lost coats of arms. For this, as a family, a series of challenges awaits you through the rooms of the fortress! Once these coats of arms found, they will form a code allowing you, perhaps, to open the treasure chest of Pierre de Montfaucon, lord of the place.

Who knows then what awaits you...
